

COMMUNITIES RESOURCES

Support from SCM

FRESHERS' FAIRS

Freshers is a busy time of year for all university societies. As the best and easiest time to reach out to new members, it's an important part of the academic year. SCM can send you resources (postcards, badges, copies of *Movement* magazine, flags etc) so you have things to give away, and to help attract people to visit your stall. If you're struggling to have enough people to staff your stall, we may be able to send a staff member to help. Get in touch!

SCM DIRECTORY

The SCM directory is a part of our website that helps students and those starting uni to find our affiliated student communities and chaplaincies across the UK. Our directory is a great way to help Christian students find out about you, so having a good page on there could really help. Your community may already have a page (check any handover notes from your previous committee), or you can create one by visiting our website. If you have any questions about this, please email John who will be happy to help!

WORKSHOPS

One of the most common ways we connect with our communities is through running sessions and workshops. We love visiting communities, meeting students in person, and running thought-provoking sessions on a whole variety of topics. The session could be a workshop, a talk, or a discussion; whatever suits your community. We can also work with you on a specific topic that you're interested in, or we can run something we think you'll love. Visits are a great way to connect with the national movement and help take the pressure off running a session yourselves.

COMMUNITIES RESOURCES

Support from SCM

RESOURCES

We have an extensive library of resources that are free to download from our website. You are very welcome to peruse them at your leisure and use them with your community. If you can see a gap or can think of something that would be helpful, please let us know!

EVENTS

SCM runs a variety of events throughout the year. These range from a day theology conference, to a pilgrimage to Berlin and back. It's always lovely to see SCMerS from across the country meet together and hear from great speakers about a variety of topics relevant to being a young progressive Christian today. We also run regional events from time to time, so look out for those too!

OTHER SUPPORT

Sometimes the resources in this pack won't directly address a particular question you have, or it might be helpful to talk things through with a member of staff. This will be a time to help you reflect upon how things are going and give space to discuss any issues or challenges in greater details. If this would be helpful, get in touch!
