

*Join our 200
Churches
Campaign!*

SCM needs help from progressive, theologically open churches like yours to secure our future.

We are recruiting 200 churches to commit to donating to SCM on an annual basis. Churches in the campaign typically donate £200 every year, which is often raised in a collection during a service or given from a church's mission allocation. Churches in the campaign also support SCM by praying for our work, offering their time and expertise if needed, and spreading the word about our work.

We send our supporting churches regular updates about our work, copies of our bi-annual Movement magazine and invitations to special gatherings throughout the year.

Through your regular support you will equip students and recent graduates to find open and inclusive communities where they can be and belong, explore what it is to live as a Christian in today's uncertain world, and put their faith into action.

Will you help us support and grow the thoughtful disciples, passionate activists, radical theologians, and progressive leaders of the future?
